

Let Our Students Help **YOU** while You Help Them!

Community-Based Vocational Training Program

The Bridge from School to Work for Individuals with Disabilities

Are you a local business facing the **struggles of the current labor market?**

Do you have **needs or tasks** that a volunteer could perform that currently **takes away valuable time** from yourself or your Team?

Let our Students **HELP YOU** while you help Them!

- Our program's goal is to **provide training to our students to increase work readiness skills.**
- These experiences will allow the students to **explore different careers and acquire skills** needed to make informed decisions regarding future employment.

Will You Be a Work-Site Partner?

What Do You Do?

- Work-Site Partner will work with Ellis Staff to **identify potential jobs or experiences** where needs exist for the Company.

- Work-Site Partner will work with Ellis Staff to **review equipment, skills, materials, & any needed adaptations** in order to make the job or experience accessible for our students.

- Work-Site Partner will **provide time for collaboration & evaluation** of the student on a periodic basis.

- Work-Site Partner will be known as an **inclusive community supporter** & be able to hire the student if desired upon graduation!

What Does Ellis Do?

- Ellis Staff to **identify student interests & abilities**.
- Ellis Staff will **pair students with appropriate Work-Site Partners** based on student's interests and needs.
- Ellis Staff to **provide monitoring & oversight** of the student's job experiences & ensure safety at all times.
- Ellis Staff will **provide site-based training** related to employment skills, including skills specific to a job site and soft skills needed to be a successful employee.
- Ellis Staff will **provide transportation** to and from sites.
- Ellis Staff will provide a Work-Site Partner **agreement & liability release**
